

## AS1230MQ Paper Shredder

The Aurora AS1230MQ is a micro cut paper shredder that will shred up to 12 sheets of paper at a time into very secure 2 x 12mm pieces meaning an A4 sheet is shredded into over 2500 particles. It can also shred 1 credit card and destroy 1 CD at a time. The AS1230MQ has a 32L pull out waste bin which has a large mesh viewing window to show when it is full and there are also castors so moving the shredder around is easy. There is an auto reverse feature in case of paper jams and the ultra quiet motor means noise levels are kept to just 60db. The AS1230MQ is ideal for offices and users who require a high level of security and a quiet high capacity shredder.

- 12 sheet micro cut shredder
- Shred size 2 x 12mm
- Security Level P5
- 32 Litre pull out waste bin
- Destroys CDs & credit cards
- Castors for easy movement
