

DT830P Desk Calculator

The Aurora DT830P is a large general purpose desk calculator, which has a huge 12 digit LCD display to enable easy viewing. The calculator is designed for ease of use with durable hard plastic keys, a large addition key and Aurora's patented long equals bar to enable speedy calculations. Business functions include; Cost-Sell-Margin keys for profit calculations and Tax keys ideal for VAT calculations. The patented DirecKey feature means that this calculator turns on when any key is pressed, this key stroke will also register. The DT830P is solar powered with a battery back-up and is excellent value for money.

- Huge 12 digit LCD display
- Cost-Sell-Margin Function
- Tax keys for VAT calculations
- DirecKey – Direct number entry
- Dual solar and battery power
