

DC446 Desk Calculator

The Aurora DC446 is a general purpose desk calculator which has a large 12 digit adjustable tilt display to enable easy viewing. The calculator is designed for ease of use with durable hard plastic keys and a large addition key. There is a Mark Up feature which is great for calculating gross profit margins and all the expected maths features you would expect including square root, percentage and a sign change key. The DC446 is solar powered with a battery back-up and is a reliable quality product with a metallic silver finish and is very good value for money.
