

AS420C Paper Shredder

The first thing to notice about the AS420C is its size, it is much smaller than most shredders and is designed for use on a desk. The small size allows for great space saving, portability and easy storage. The shredder has a 4 sheet capacity and cross cuts documents into small 5 x 47mm particles, it can also shred a single credit card at a time, and if small paper clips or staples find their way into the shredder it will shred these too. The 5 litre bin will contain around 40 sheets before it needs emptying and is transparent so you can view its contents. The shredder itself has a handle for easy removal, auto mode for shredding, a reverse option for clearing any jams, safety cut outs prevent accidental operation, and a thermal cut out to protect the shredder from over heating.

- 4 Sheet cross cut shredder
- Space saving design
- Shred size 5 x 47mm
- Security Level P3
- 5 Litre transparent waste bin
- Shreds credit cards
- Overheat and safety protection

Space saving tabletop design

Cross cuts credit cards

Security Level P3

Special Features

The AS420C will securely destroy one credit card at a time by cross cutting it into small pieces

An easy to empty waste bin with a light lift off top and a convenient lift up carry handle

An A4 sheet needs folding in half lengthways to fit in the shredder, the capacity is 4 x A4 sheets folded in half.

The waste bin has transparent sides to show when it is full and requires emptying

Technical Specifications

Overheat LED Indicator	No
Door Open/Misalign LED Indicator	No
Bin Full LED Indicator	No
Duty Cycle	2 mins on/15 mins off
AC Motor	Yes
DC Motor	No
Noise Level (db)	70
Machine Size (mm)	241x176x252mm
Machine Weight (kg)	2.3

Maintenance

In order to keep a shredder in optimal working condition it is necessary to carry out regular maintenance. The Aurora AS420C should be regularly oiled using a suitable shredder oil in order to keep the blades lubricated and clean. We recommend oiling your shredder at least once a month to maintain your shredder and prolong its working life.
